The pirates
are a common
matter between
both of our
countries.

Why should
I stop?

Please stop
any further
punitive
action.

I apologize
for my
wife's
rudeness,

King
Aleph.

King Aleph,
as you are
aware,

At most they are
pirates in appearance.
What the people cannot
do for themselves is
our responsibility as
ones who stand on
high.

these
pirates are
chivalrous
thieves.

Since you
are the king
of a nation,

These "pirates"
are under my
protection.

you should
manage the
discrepancy
from that
position.

Though
small, I had
expectations

of you, but

...
Uh!

King
Aleph!

I heard
Kallum
picked you
up off the
streets.

it turned out
that you
were a slave
after all.

Princess,

he needs
medical
attention too.

Yes!

It would be
good if she
got medical
treatment
soon.

Since it's
Morgiana,
she'll be
fine.

but she
wasn't hit in
a vital spot.

The captain
was taken
away!

What
about us
is fortunate?!

GRAB!

And that
awful
wound!

Bear it,
please.

Oww!

It'll only
sting for a
little while
longer.

There are
many who are
seriously
injured.

but it seems
that they are a
fortunate lot,
and none were
critically
injured.

about
when I was
King
Aleph's
slave.

I haven't had
a real conver-
sation with
you

...Yeah.

...

...Come to
think of it,

You

Does your
hand hurt?

treated it
immediately,
so I'm fine.

I see.

I wanted to
become King
Aleph's wife.

You see,

in the end, I
was aban-
doned.

To achieve
that goal, I
obeyed every
word he said,
but

and in doing
so, I hoped
to prove

that we
slaves were
not tools.

I made you
bow your
head to King
Aleph.

As I am now, I
can't stand up
to that man.

"It turned out
you were a
slave after
all."

CLENCH

...But, even
now as your
concubine,

Earlier,

how should I
have behaved
as your wife?

It doesn't
matter if
you're
wrong.

Think for
yourself
and act.

WHAT?

**HOW
SHOULD
I KNOW**

What
are you
say-
ing?!

...He
really is
an
irritating
man.

MUMBLE

is what
I'm
saying.

That's what
you do best.

Huh?

Make me believe

it was good that you joined my harem.

That will also serve as proof for him.

That's a given.

don't believe that?

As you are now, you're nothing more than entertainment.

Even though you do this and that to me.

You still

IT WAS GOOD THAT I JOINED HIS HAREM?

Just doing what you're told

isn't like you.

Sh-
shut up!
I know
that!

ARE THE
HEIGHT OF
TACKINESS.

yelling

Unacceptable

Unacceptable

Unacceptable

But

as my wife,
you come up
with what
you should
do
and then
take
action.

What I mean to
say is, can I praise
you for your swift
medical response?

PAT

...Here,
your
reward.

...IT'S
FRUS-
TRATING.

Hiel

IT'S
SO VERY
FRUS-
TRATING.

Of course I do.

do you have something up your sleeve?

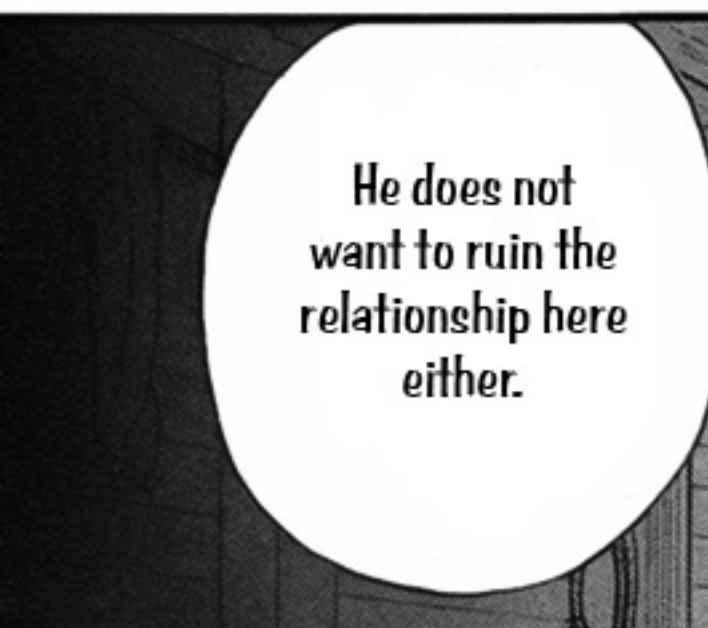

If what he said was not true, then all of us would be dead now.

...Prince,

Settle down.

This isn't a joke.

It could be said, because you provoked Aleph, the captain is--

He does not want to ruin the relationship here either.

during the raid that just happened, his forces did not attack me or Mishe.

Anatolia has been making a lot of suspicious moves lately, but

She is most likely being kept at King Aleph's side.

For one reason or another, he has a need to keep her in his sight.

The problem is rescuing Morgiana.

It will take time to infiltrate and search that huge ship.

Since that's the case,

he cannot interfere with matters on this ship.

he will not
attack you
or me.

earlier
you said

...Prince
Kallum,

!

over to
King
Aleph's
boat.

The risk is too
high to send
the pirates

Therefore,
I will go

to King Aleph's
side and apologize
as a distraction.

At that time,

you, Prince
Kallum, will
rescue Morgiana.

THIS IS

AS PRINCE
KALLUM'S
WIFE.

WHAT I CAN
DO AS I
AM NOW

What
becomes of
pirates
does not
have much
sway over a
country.

Was this
the proper
move?
The dead-
line is...

a different
objective.
