Mitsuru Yumeki Presents

THE COUNTRY OF JALBRA --  
SOUTHERN PROVINCE

The mists  
have  
cleared.

Your  
fortunes for  
today are...

And lastly,  
Mishe...

Ra-  
mulla,  
you will  
be in an  
incident  
involving  
water.

ugh!

Sana,  
you will lose  
something  
precious.

ugh!

GULP!

ダモノな第三王子。

身寄りがなく貧しかったミーシエは、ジャルバラ王国第三王子カルムの30人目の妻として迎えられ  
る。わがままな王子に振り回されるが、優しい人柄も知り、正妻を目指すことに。そして今回は...

why are  
all of the  
fortunes  
bad?

...Uh,

It's a  
coinci-  
dence.

yours is the  
grimmiest of  
all.

You will have a  
miserable time  
being swung  
around all day.

HMPH!!

Oh!  
How about  
this?

Um!

Let's divine  
Prince  
Kallum's  
future.

the amateur  
divinations of  
one concubine

cannot be  
relied upon  
anyway.

Your lucky item  
is hand sewn  
underwear.

Let me  
give it try.

Since it's  
Prince  
Kallum,  
he'll have  
better luck

It'll be fine.  
We'll just take  
a peek.

Isn't telling  
someone's fortune  
without their  
permission  
something you  
shouldn't do...?

Atifayf?

Prince  
Kallum  
is...

!

I wonder if  
we should  
be doing  
this...

HAHA...

WHAT?!

...Isn't

going to  
have bad  
luck...

YOU  
MUSTN'T!!

WMDa!

JUST TO BE THAT A  
SURE, I'M PROBLEM?  
GOING TO LET HIM  
KNOW ABOUT IT!

even Atty  
won't be  
pardoned.

You sim-  
pleton!

If by some  
small chance  
something  
happens to  
him,

uh?  
Why  
not?

I see  
someone's  
hand bringing  
about calamity  
for him.

Prince  
Kallum!

Ah,

Atifayf is  
fortune-  
telling, I  
see.

Obviously, we  
forget that we  
even did this.

**BUT  
THEN  
WHAT  
SHOULD  
WE DO?**

It is just  
fortune-  
telling  
after all.

What are  
you all  
making so  
much noise  
about?

**SHUDDER!**

**SWEETLY**

But it seems  
that Atty is  
tired after too  
much fortune-  
telling.

Yes,  
  
it makes it  
more fun.

Your  
equipment  
and outfit are  
quite authen-  
tic-looking.

Oops,

We're leaving  
the rest to  
you.

Hey  
now!

my shoe  
lace  
broke.

Yes,  
don't  
mind me.

You have gone  
out of your way  
to grace us with  
your presence,  
but we are sorry  
we must depart.

We must let  
Atty rest.

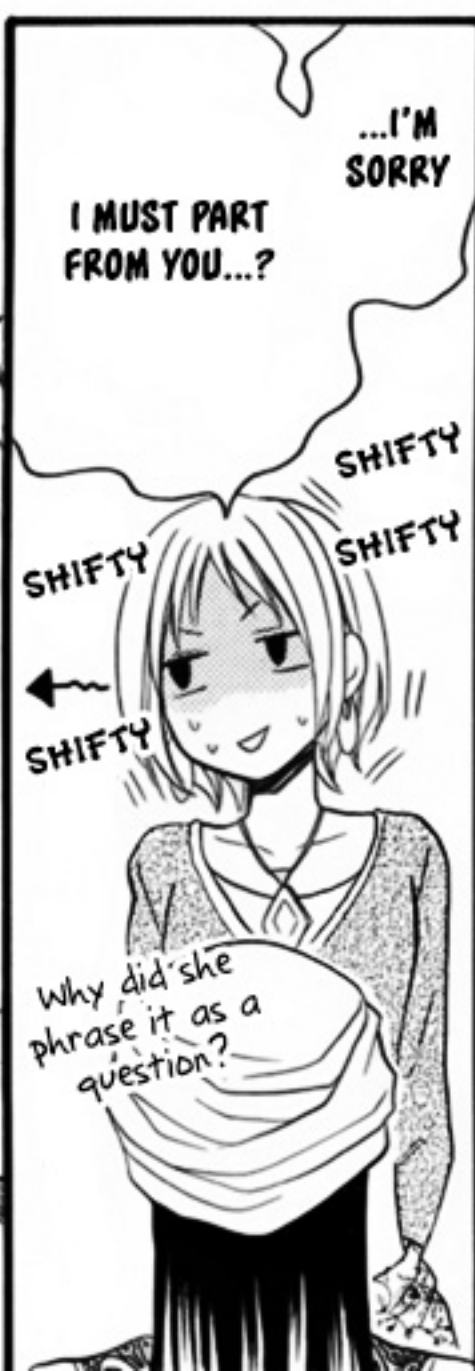

FLAWLESS  
AS  
USUAL.

I'm getting  
too anxious.

What  
should I  
do?

AND  
THERE'S  
ALSO ATTY  
TO CON-  
SIDER.

I MUST PART  
FROM YOU...?

...I'M  
SORRY

SHIFTY  
SHIFTY

SHIFTY  
SHIFTY

Why did she  
phrase it as a  
question?

COULD THIS BE  
SOMEONE'S  
WRONGDOING?!

So,

aren't you  
going?

UHH!

GRAB!

Coming from you,

aren't those unusually polite words, Mishe?

SINCE IT'S COME TO THIS, I HAVE TO HIDE THE PREDICTION

AND PROTECT PRINCE KALLUM AT THE SAME TIME!

Hmph!

... What's going on?

Seeing you bashfully avert your eyes is not bad, but

GRIP GRIP GRIP

(FIRMLY)

WAIT A...

WELL!

MAYBE HE SUSPECTS?!

UM,

UM, UM, UM!

I might as well make you look directly into my eyes and tell me.

I want more.

...  
Don't

UM!

I JUST REMEM-  
BERED THAT I  
HAVE URGENT  
BUSINESS, SO  
PARDON ME!!

OH MY  
GOODNESS!  
OH NO!

Uhh...

DASH!

GO OUT  
WALKING  
AROUND  
MUCH BY  
YOURSELF,  
OKAY?!

SHOCK

Do you  
have some  
business  
with me?

...  
No.

Heh!  
Heh!

...Did  
something  
happen?

Ahh,  
I found  
you,  
Prince  
Kallum.

PIT-PAT  
PIT-PAT

Actually,

a number of  
correspon-  
dences were  
stolen from  
the repository.

ACCORDING  
TO ATTY,

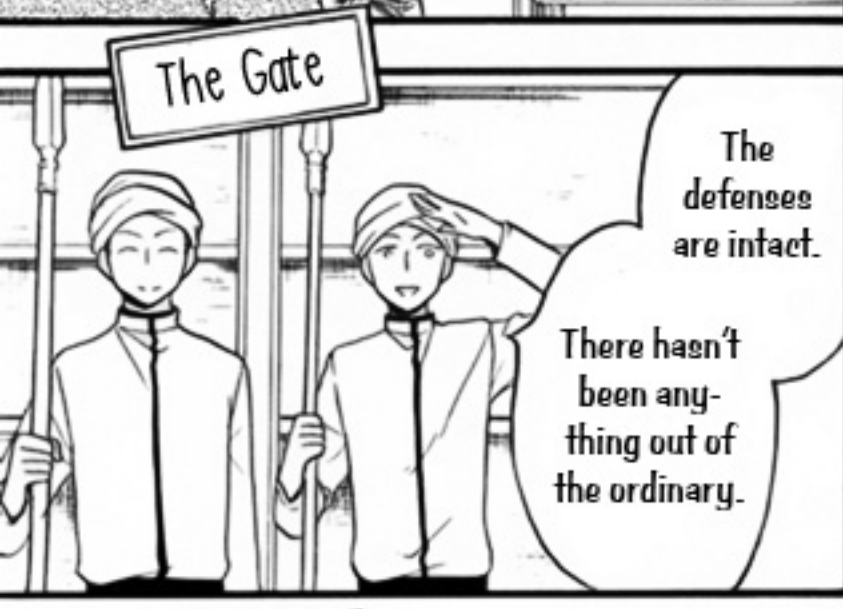

The kitchen

Let's see.

I can't think of anyone in particular ...

The Gate

The defenses are intact.

There hasn't been anything out of the ordinary.

The stables

There haven't been any.

Suspicious people?

CALAMITY WILL BE BROUGHT UP HIM

"BY SOME-ONE'S HAND".

First,

I'll ask the staff if there have been any suspicious people around.

I'M ALREADY UNDER SUSPICION, SO

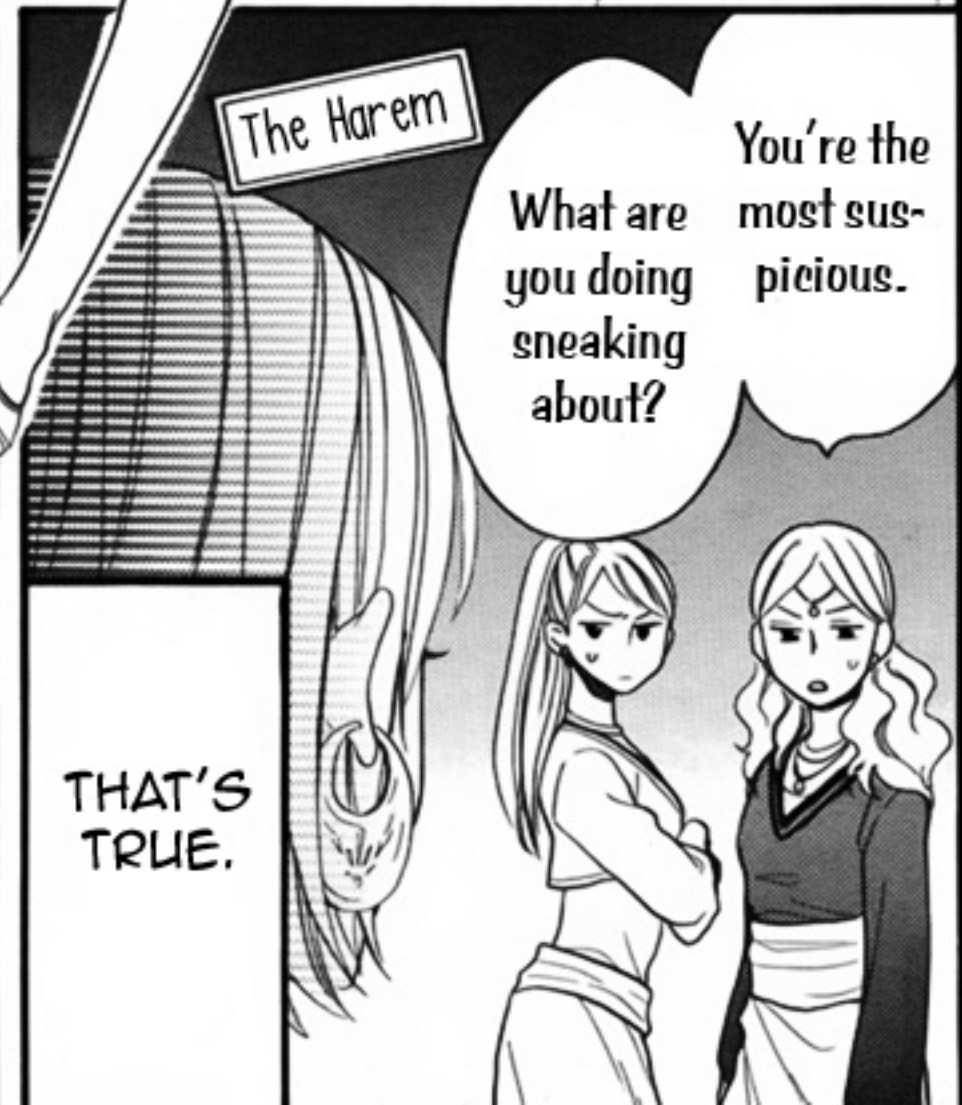

IT'S A BIT DANGEROUS, BUT,

now that it's come to this,

It seems I turned this into a serious matter by investigating it.

Hmm,

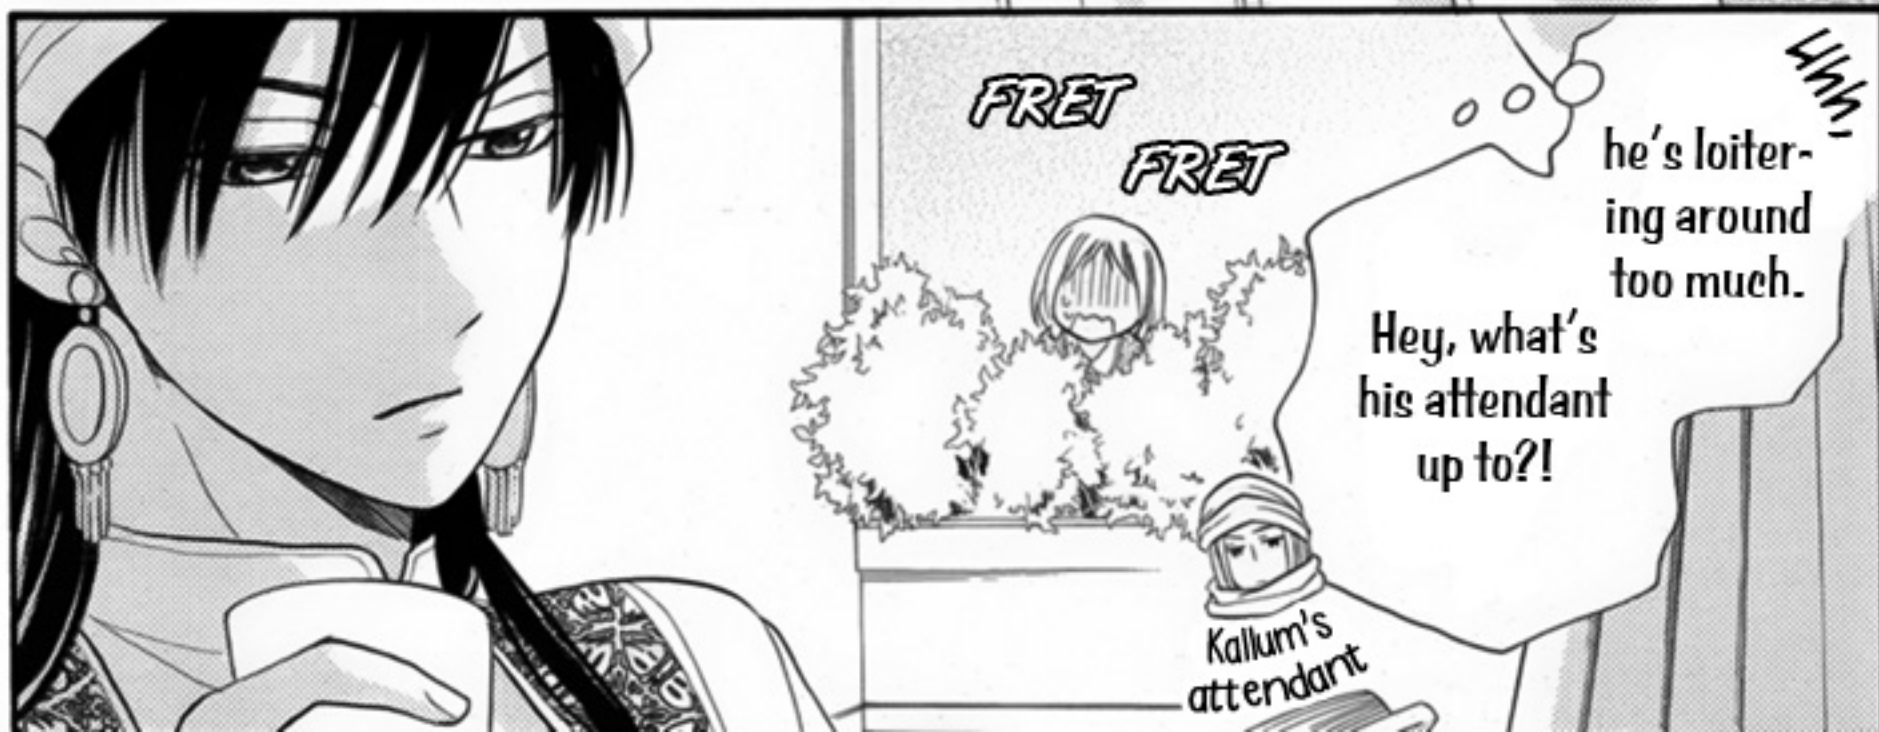

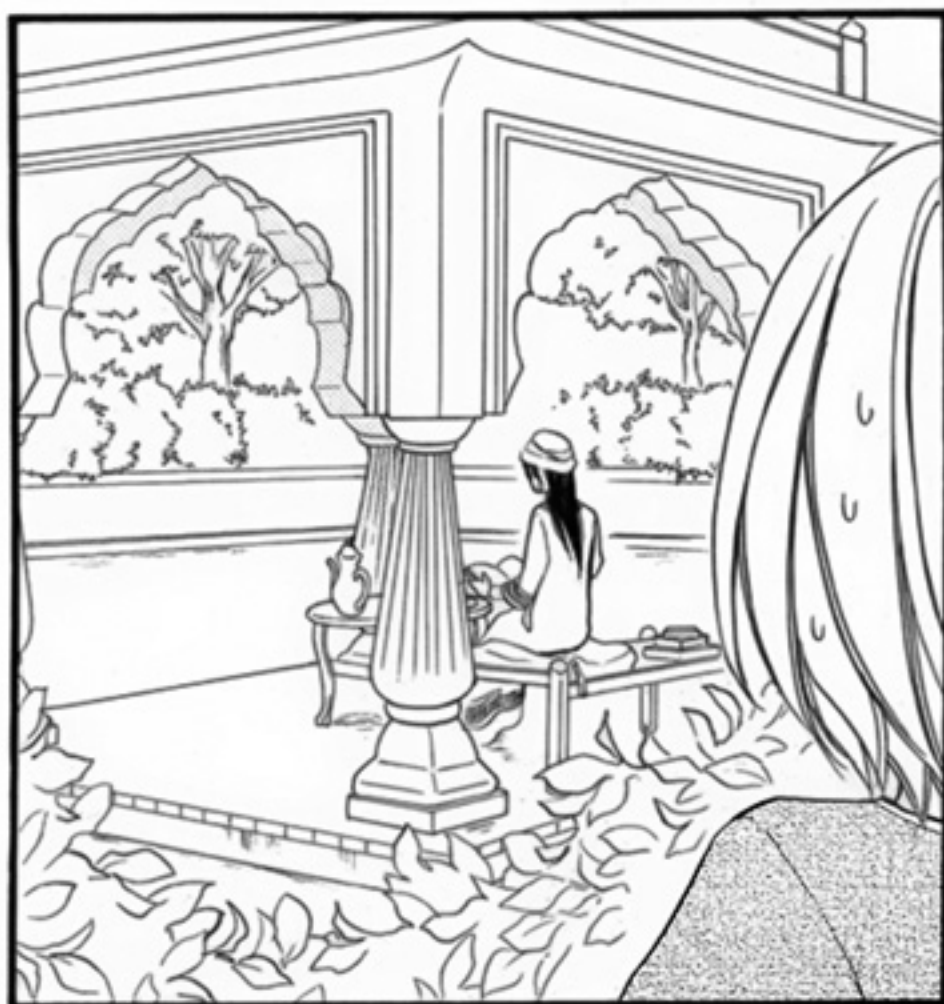

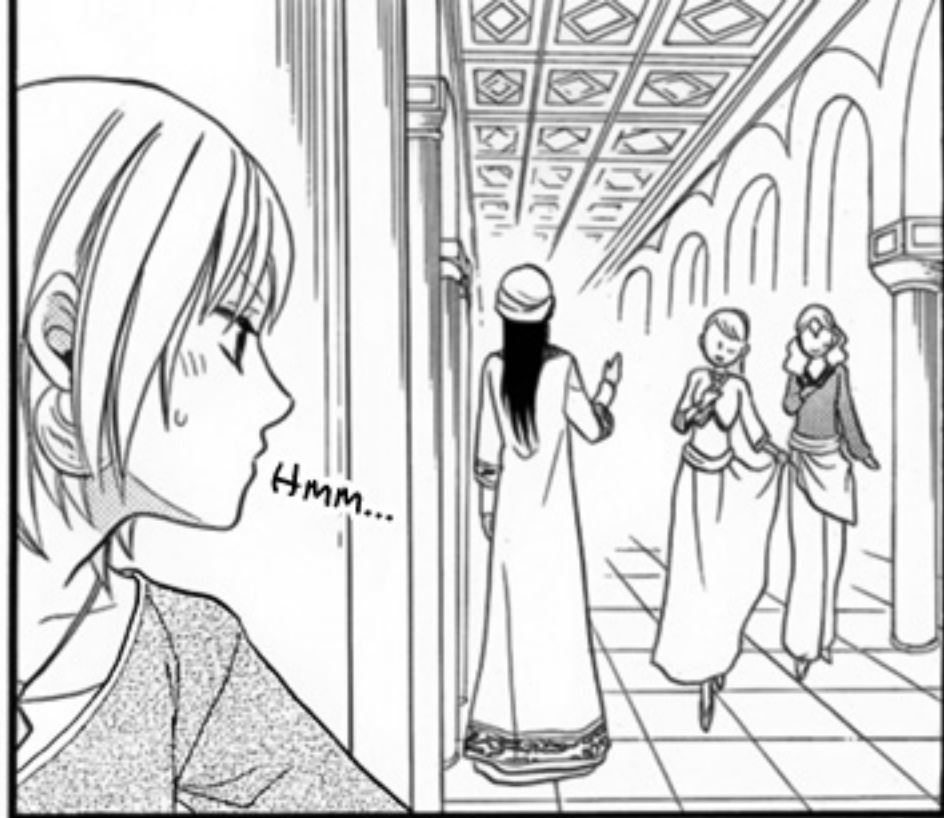

The Harem

What are you doing sneaking about?

You're the most suspicious.

THAT'S TRUE.

Are you  
playing  
hide-and-seek  
by yourself?

But there  
aren't any  
particularly  
suspicious  
people.

...I  
KNEW  
IT.

But there is a  
sliver of a  
chance, isn't  
there...?

I'M  
WORRYING  
WAY TOO  
MUCH.

Hmm...

You're  
lonely,  
aren't you?

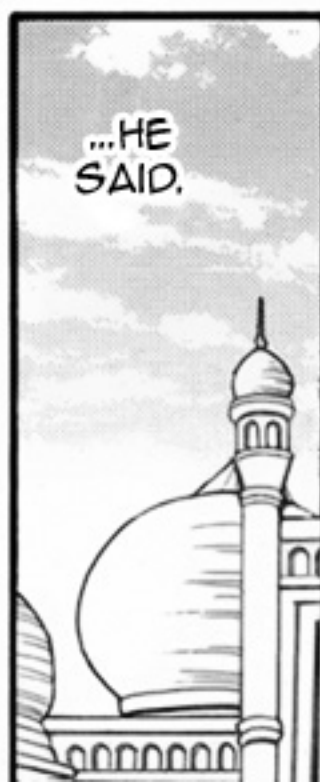

I'll keep you  
company.

His ability to  
find me is  
terrifying...

I ran away  
without  
thinking.

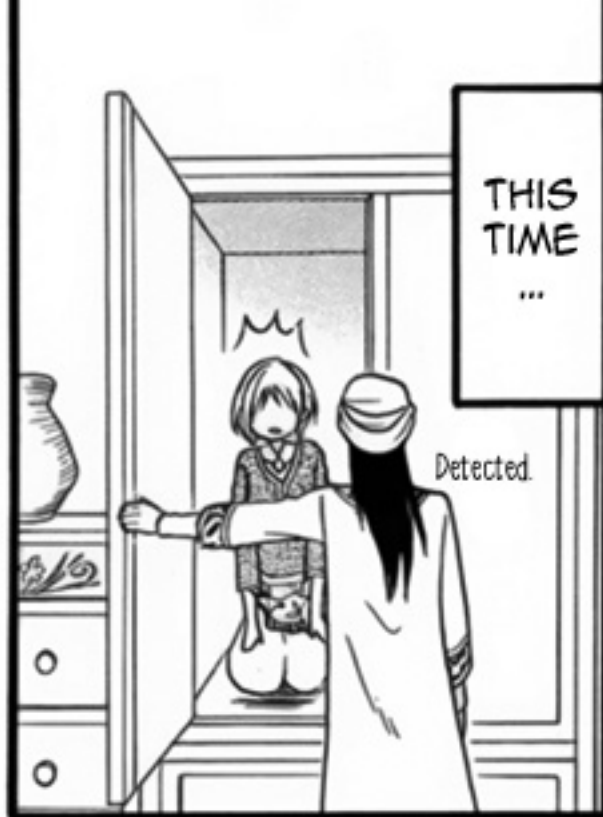

...  
BUT

...HE  
SAID.

THIS TIME  
...

Detected.

THIS TIME,  
FOR SURE  
...

I found  
you.

THERE  
YOU  
ARE.

SWIPI

THIS TIME,  
I'LL MAKE  
SURE HE  
DOESN'T  
FIND ME.

Uh,  
**I'M NOT  
PLAYING A  
GAME WITH  
YOU. YOU'RE  
THE ONE WHO'S  
PLAYING!**

Oh?

SMIRK

So you want  
my attention  
that badly.

we were  
playing  
hide-and-seek.

Haa...

NO,

Were you in  
the middle of  
something?

BOOM!

Pardon me,  
Prince  
Kallum.

GULPI

I'm...

Then what  
are you  
doing?

This is carefully made to look like it contains an important communicate.

Changing the subject,

I walked around inside the palace as you suggested.

Now then, take that to where tonight's meeting will take place

and mix it in with the other correspondences.

That must have been a difficult task.

I hope the rat takes the bait.

I CAN'T DO THIS.

And they're already done.

DO YOU INTEND TO WEAR THOSE?

Hmm...

Are you still making underwear?

Uh, yeah.

IT'S TOO DANGEROUS TO GET NEAR HIM.

That said, there's no other way...

ANGHHH!

Divining who is the cause of the calamity,

but the mists aren't clearing.

That's not the problem.

Atty, what are you doing?

I guess I can't.

They turned out to be too big.

Augh!!!

Why me too?!

Squeak!

For now, after it!

Oh no!

Huh?

Heeee!

Somebody hurry up and catch that mouse!

Eeeeeek!

Squeak!

A MOUSE!

IT TOOK THE EARRING MY GRAND-MOTHER LEFT TO ME!!!

Prince Kallum,

I brought your change of clothes.

Thanks.

Augh!  
Squeak!

RUB RUB

Ha ha

You're behind schedule, yet you're bathing.

You're going to be late for the meeting.

Hurry up and change.

OH!  
PRINCE KALLUM?!

HUH?!

Whoa!

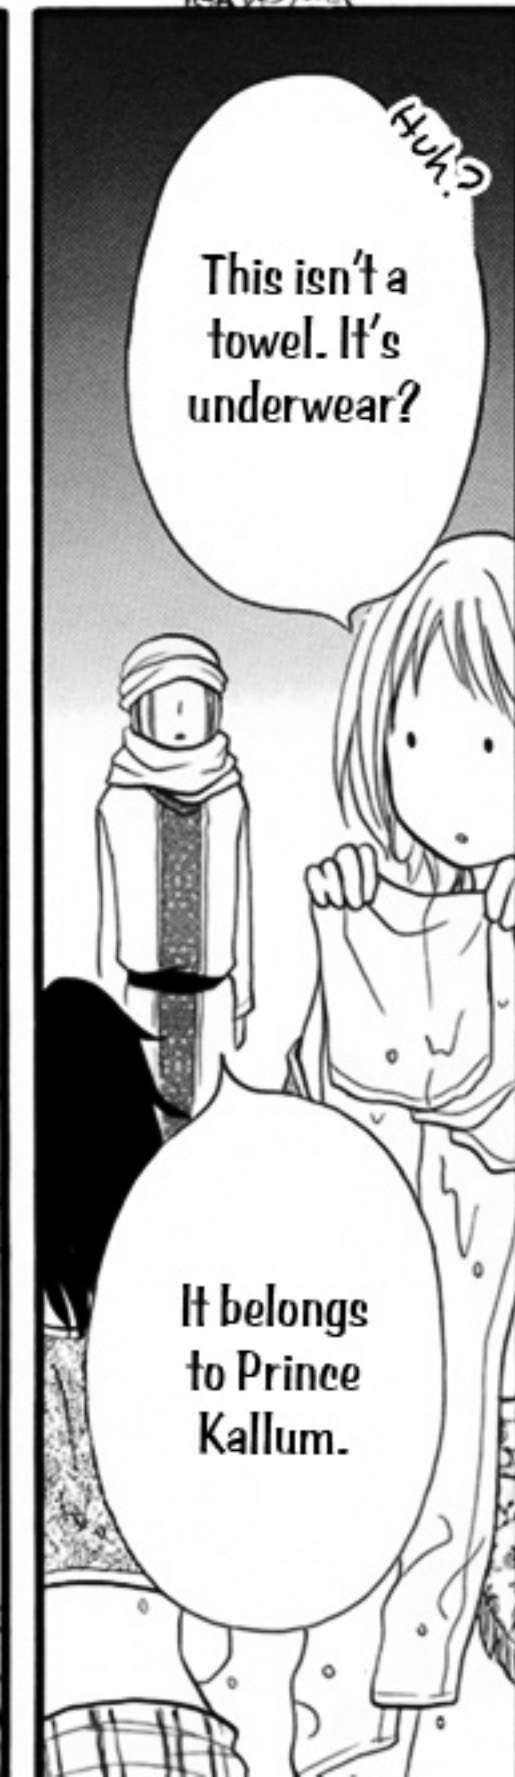

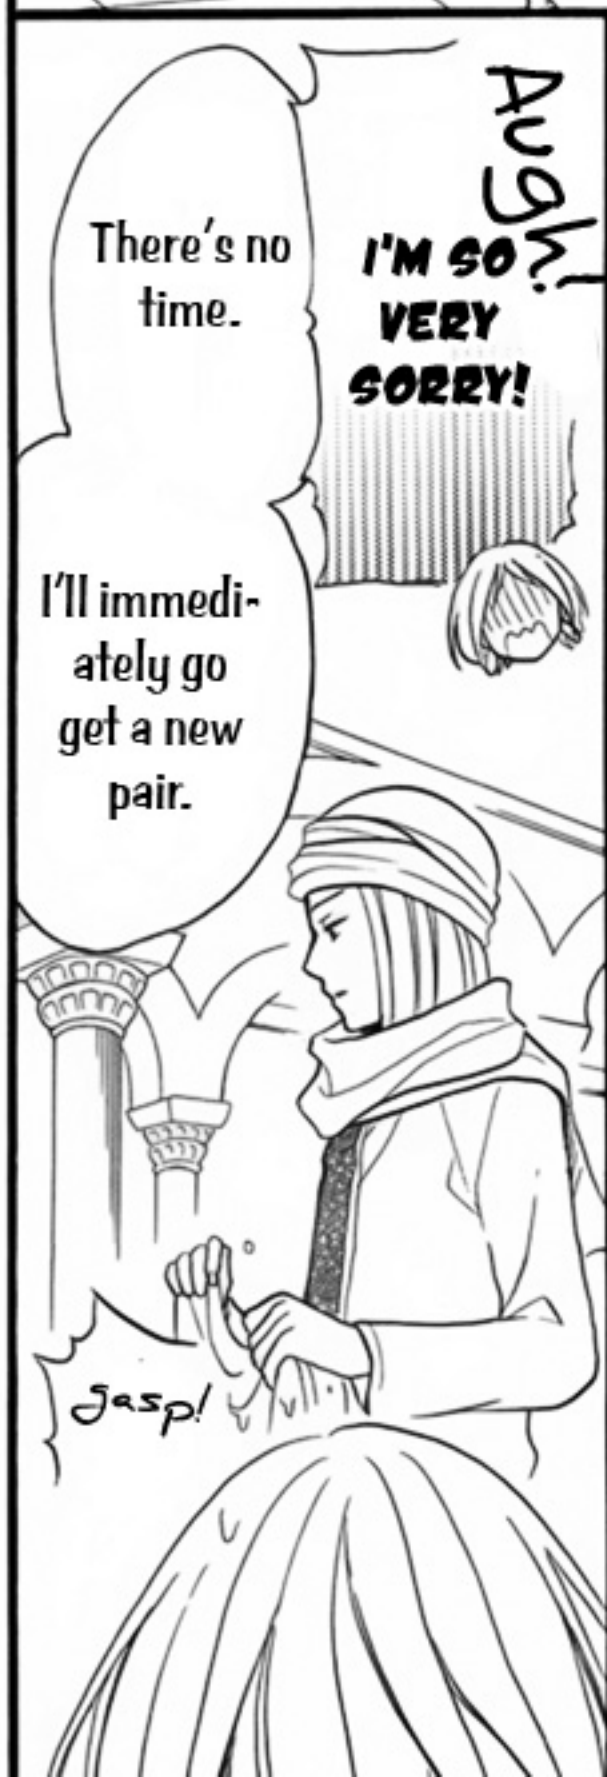

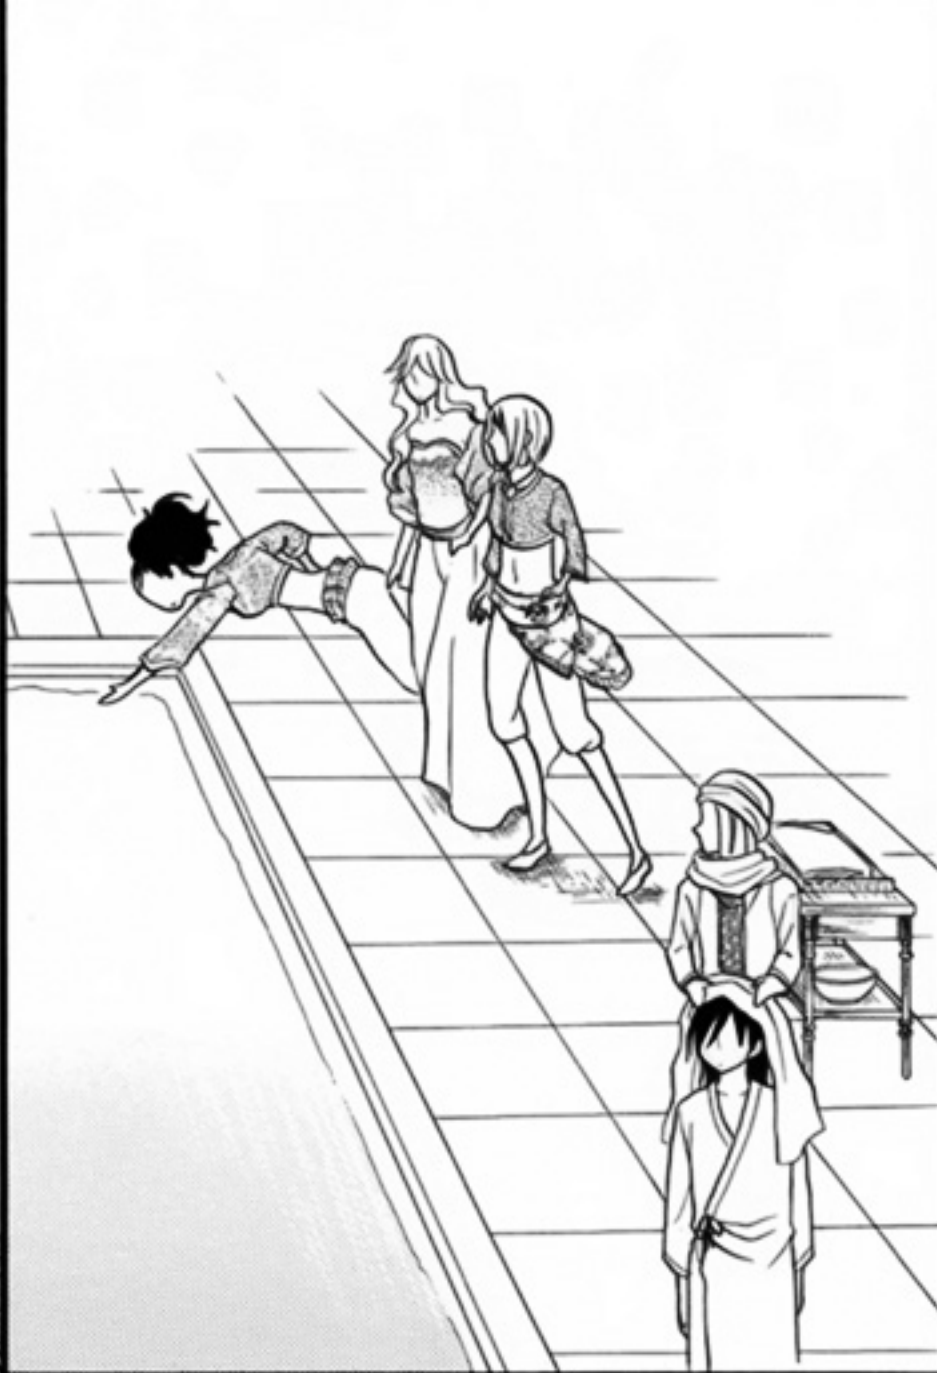

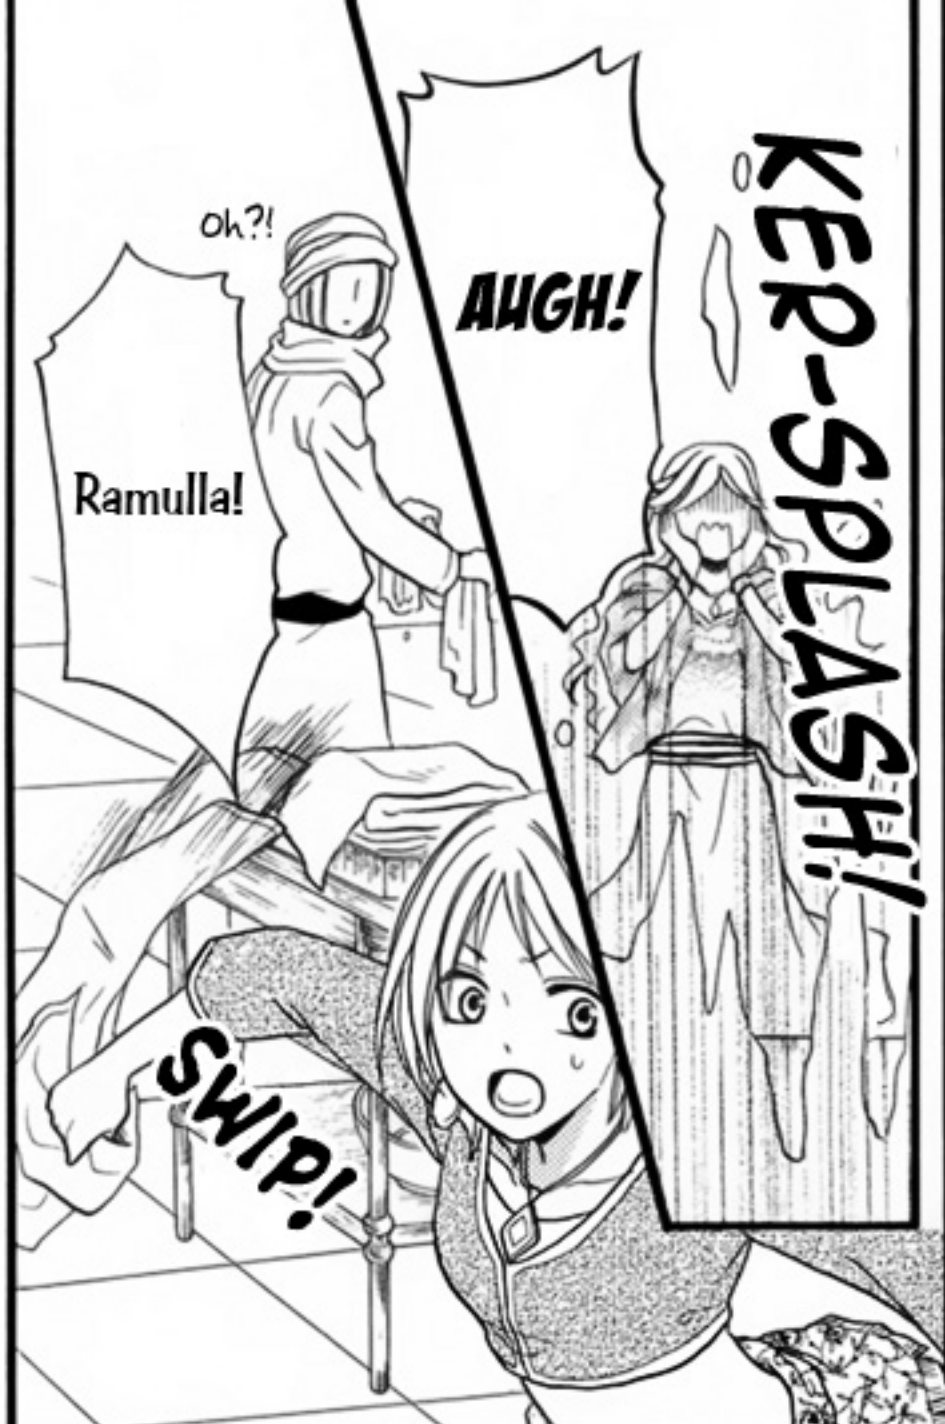

Why just me?!

Mishe, can't you run faster?!

STOP, MOUSE!

You...

"Sana will lose something precious."

"Ramulla will have an incident involving water."

...EVERY-THING

HAS GONE ACCORDING TO ATTY'S FORTUNE-TELLING.

gaspl

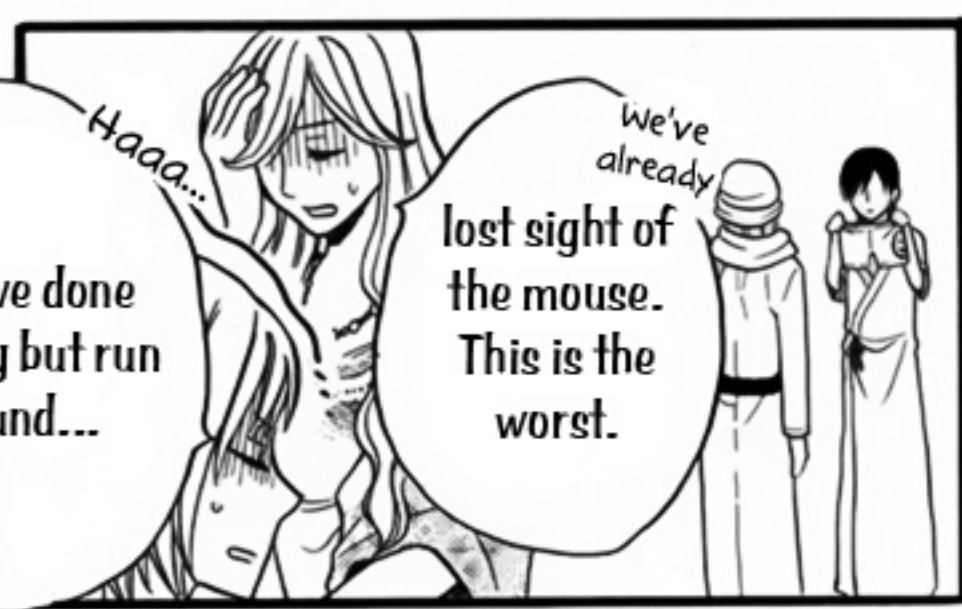

**TA-DAH!**

IF YOU DON'T MIND, PLEASE USE THIS!

I MADE IT MYSELF!

I will if they fit Prince Kallum.

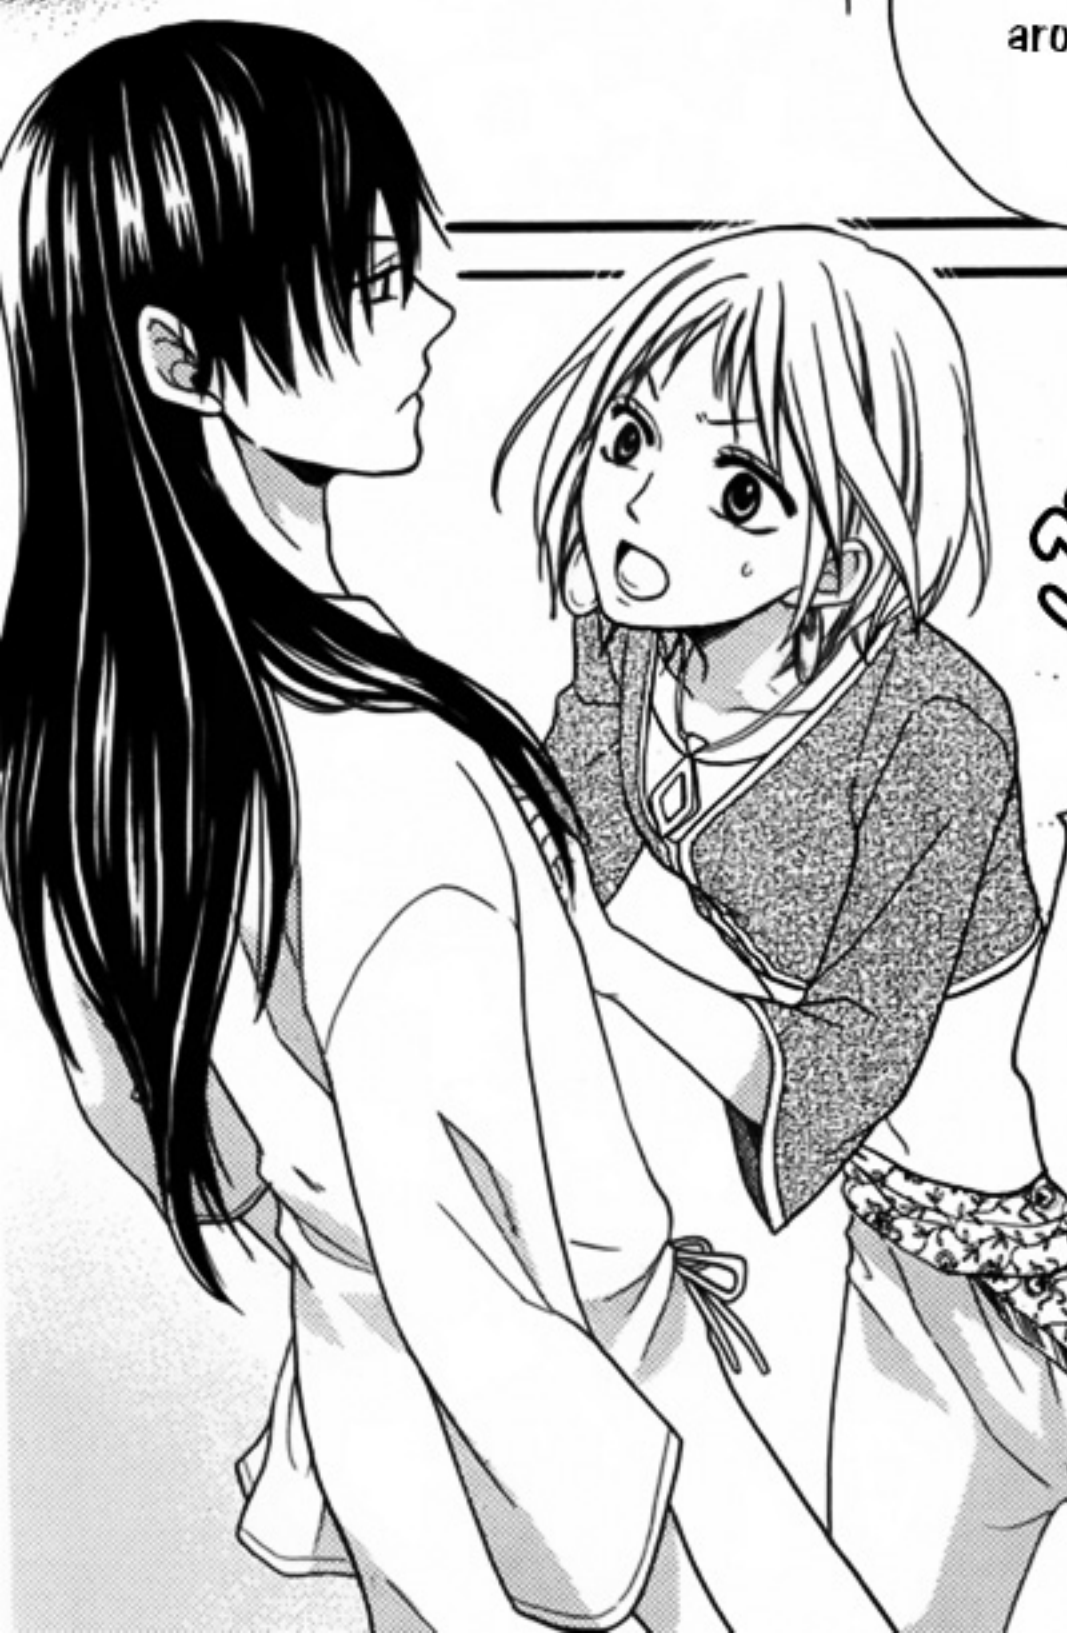

Haaa...

and I've done nothing but run around...

We've already

lost sight of the mouse. This is the worst.

**JUMP!**

Prince Kallum,

what are your plans for later?!

WILL PRINCE KALLUM FACE CALAMITY TOO?!

It's not an important meeting,

so I'll give you permission.

...MAYBE

THE PERSON WHO WILL CAUSE THE CALAMITY WILL BE AT THE MEETING!

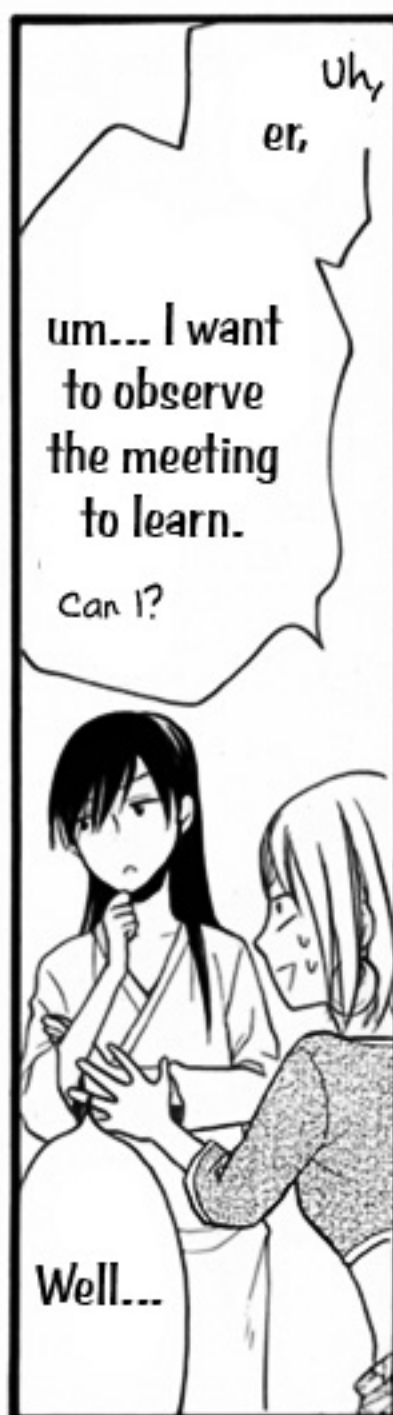

I have a meeting.

A MEET-ING?

THERE WILL BE A LOT OF PEOPLE ASSEMBLED, WON'T THERE?

...May I

Uh, er,

um... I want to observe the meeting to learn.

Can I?

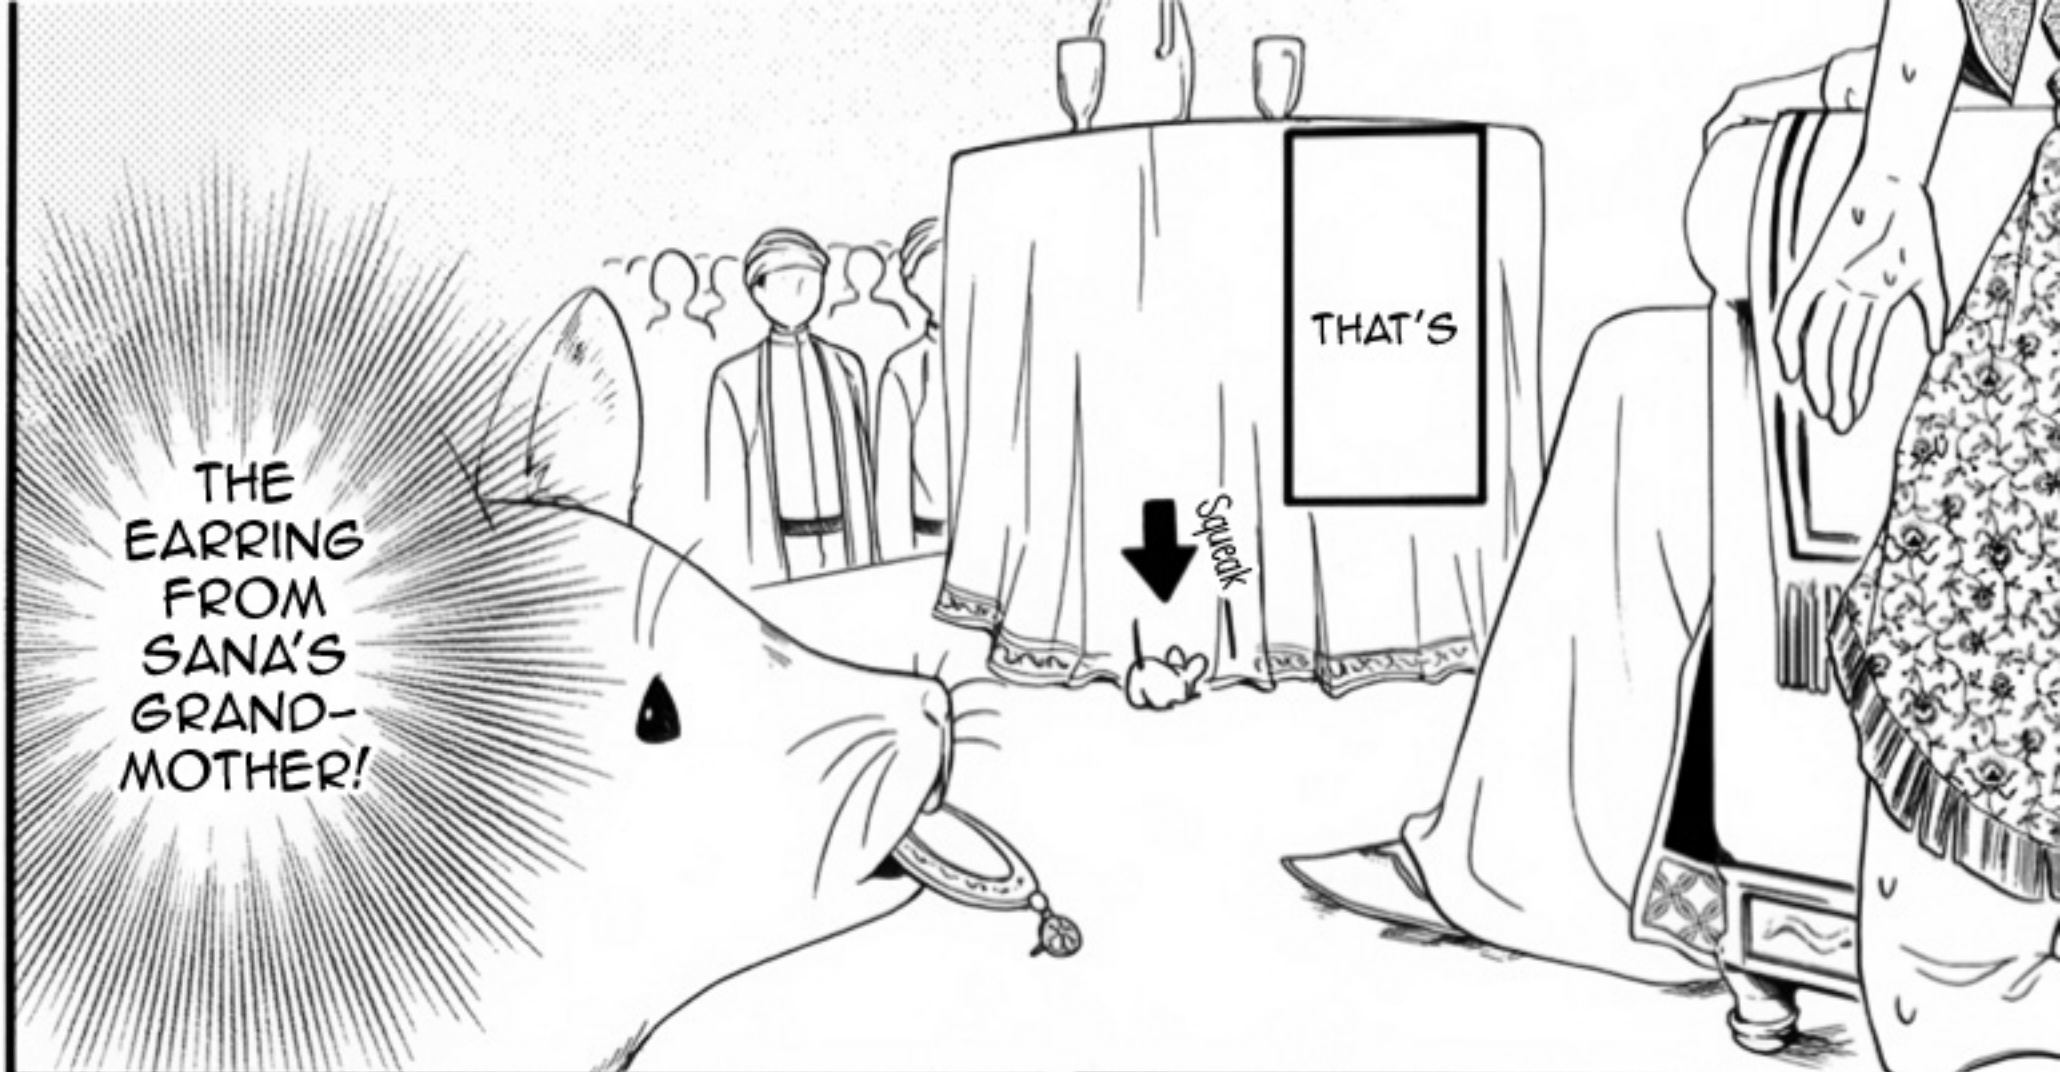

Well...

also attend the meeting?

THE  
EARRING  
FROM  
SANA'S  
GRAND-  
MOTHER!

THAT'S

Squeak

Oh!

skitter

Prince  
Kallum,

What's that  
mouse  
doing  
here?!

Zali

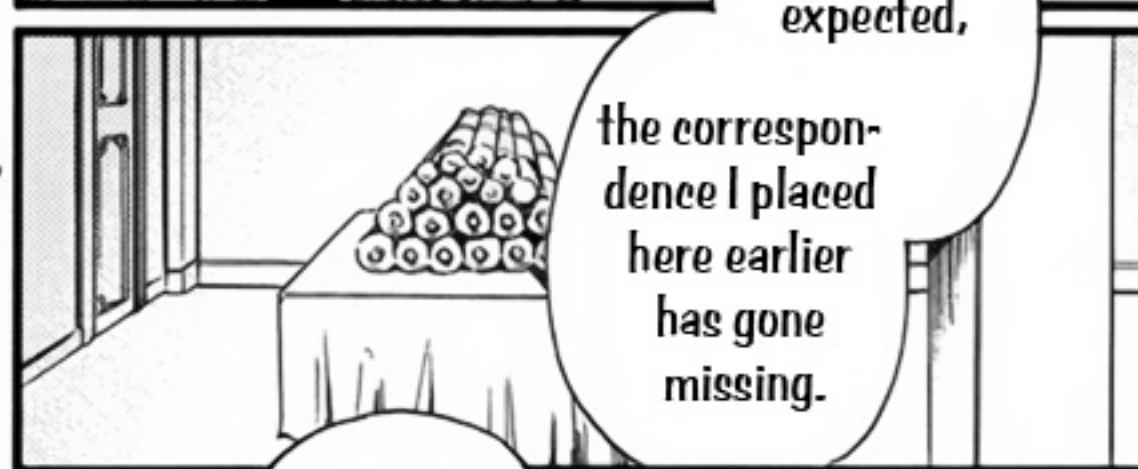

There is a  
rat among  
us.

Oh no!

Oh no!

just as you  
expected,

the correspon-  
dence I placed  
here earlier  
has gone  
missing.

I'm sorry, but I  
cannot make  
an arrest...

I'll  
handle  
it.

Did some-  
thing  
happen?

Physical  
inspec-  
tion?

We do them  
from time to  
time  
(when needed.)

Oh!  
I...  
I see.

Nobody  
move.

Since  
that is  
the  
case,

everyone will  
undergo a  
physical  
inspection.

My  
chance!

I'll hide from  
Prince Kallum  
and capture the  
mouse.

Right  
now,

Pardon us!

Stop,  
Mishe!

Since it's  
come to his,  
I'll roll it  
somewhere  
close to me.

Guh!  
Have I  
been  
found  
out?

Crim-  
inal

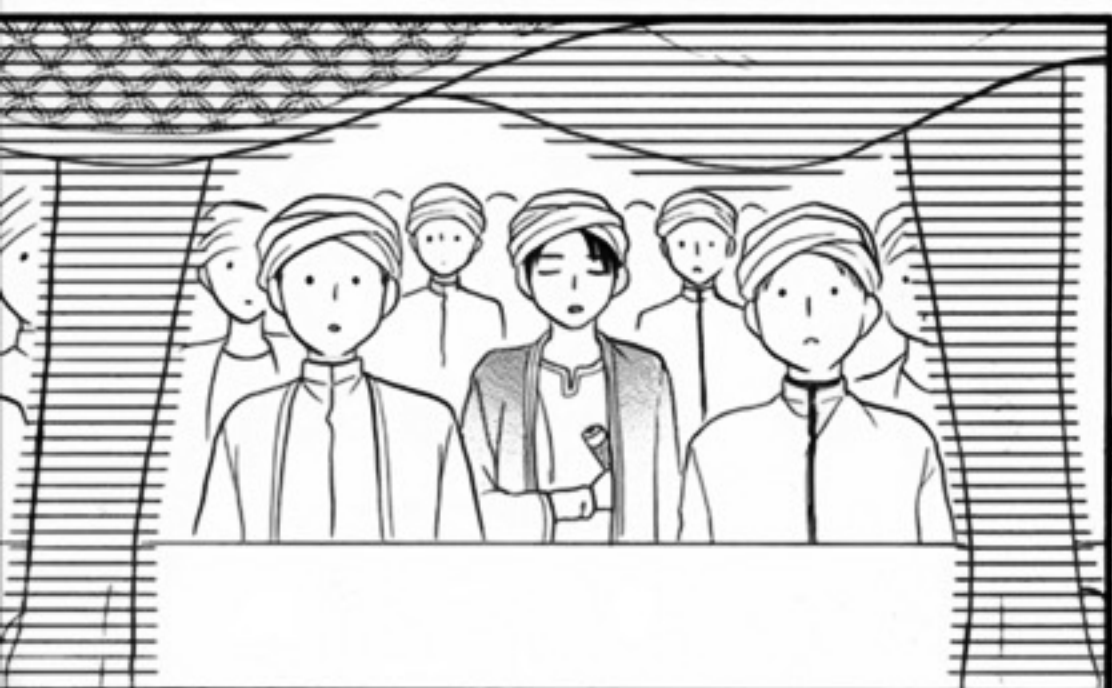

All right,  
the next  
person.

is a blond-  
haired girl

...

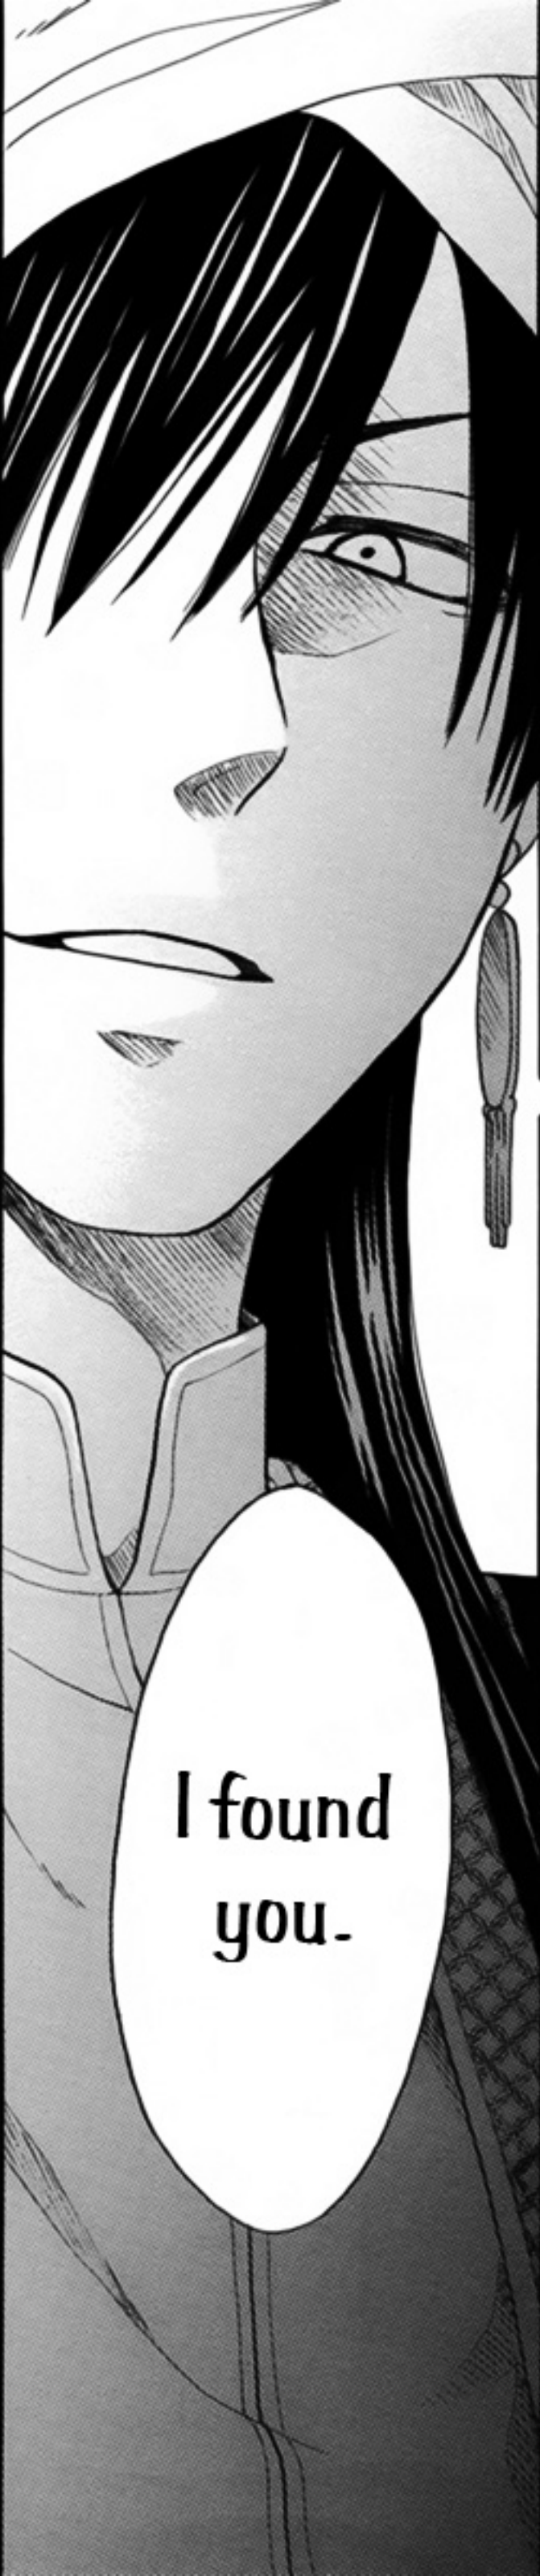

Atty had a  
vision!

Huh?!

The person  
who brings  
about the  
calamity is

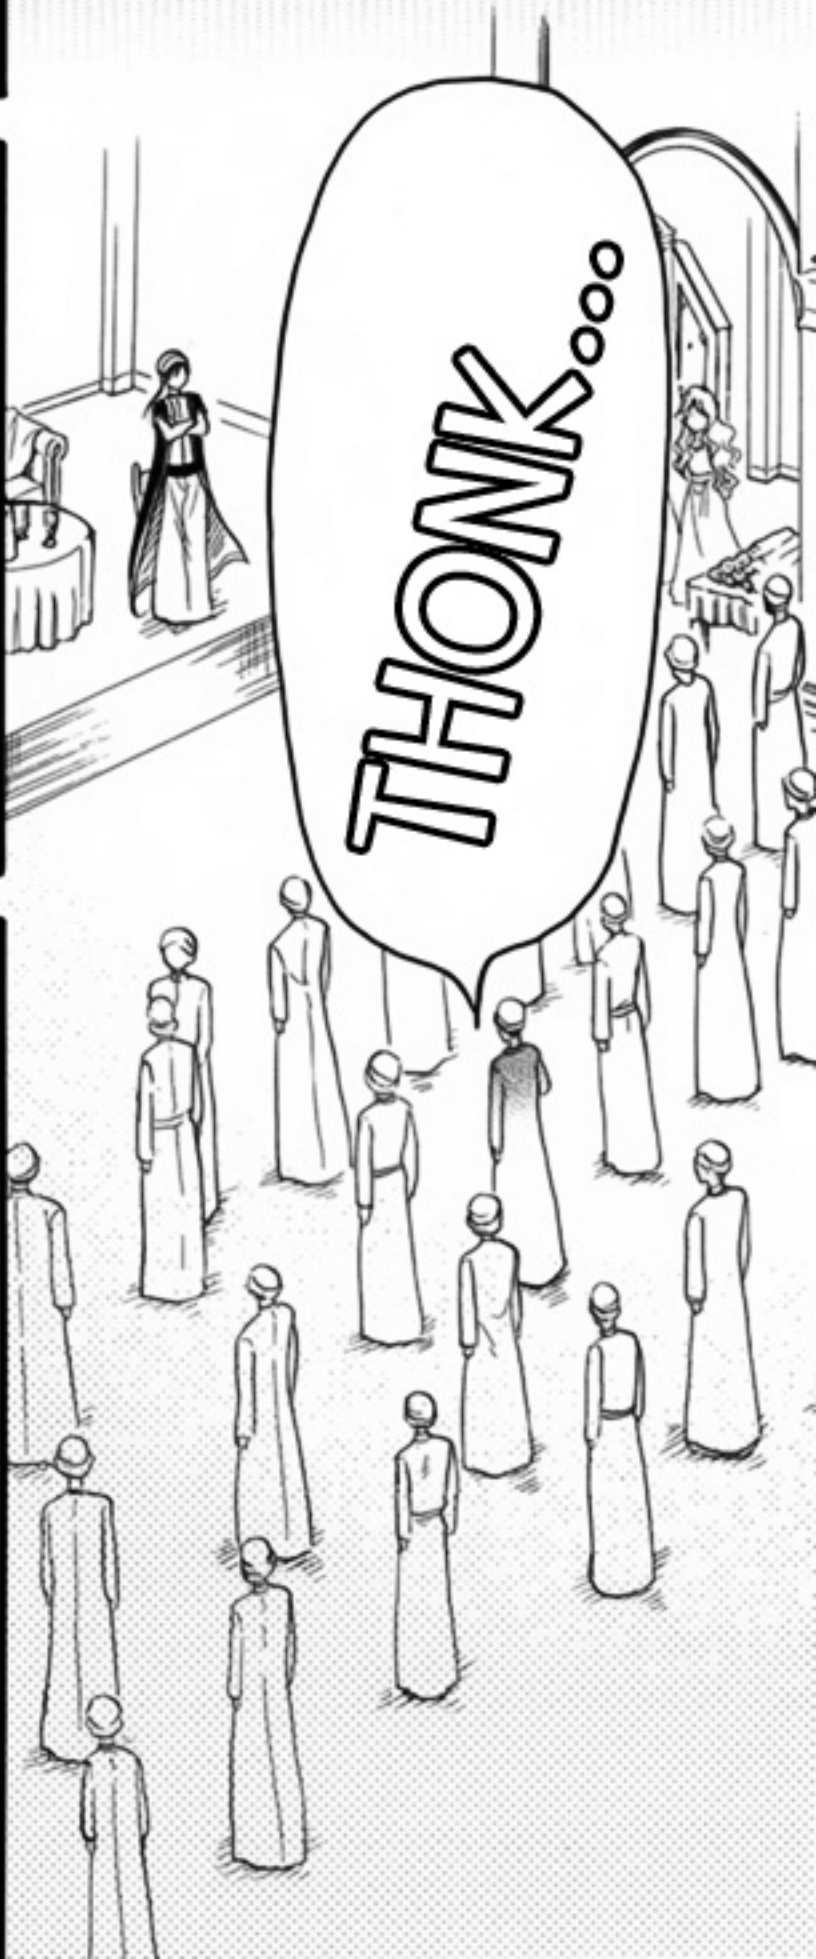

I found you.

gasp

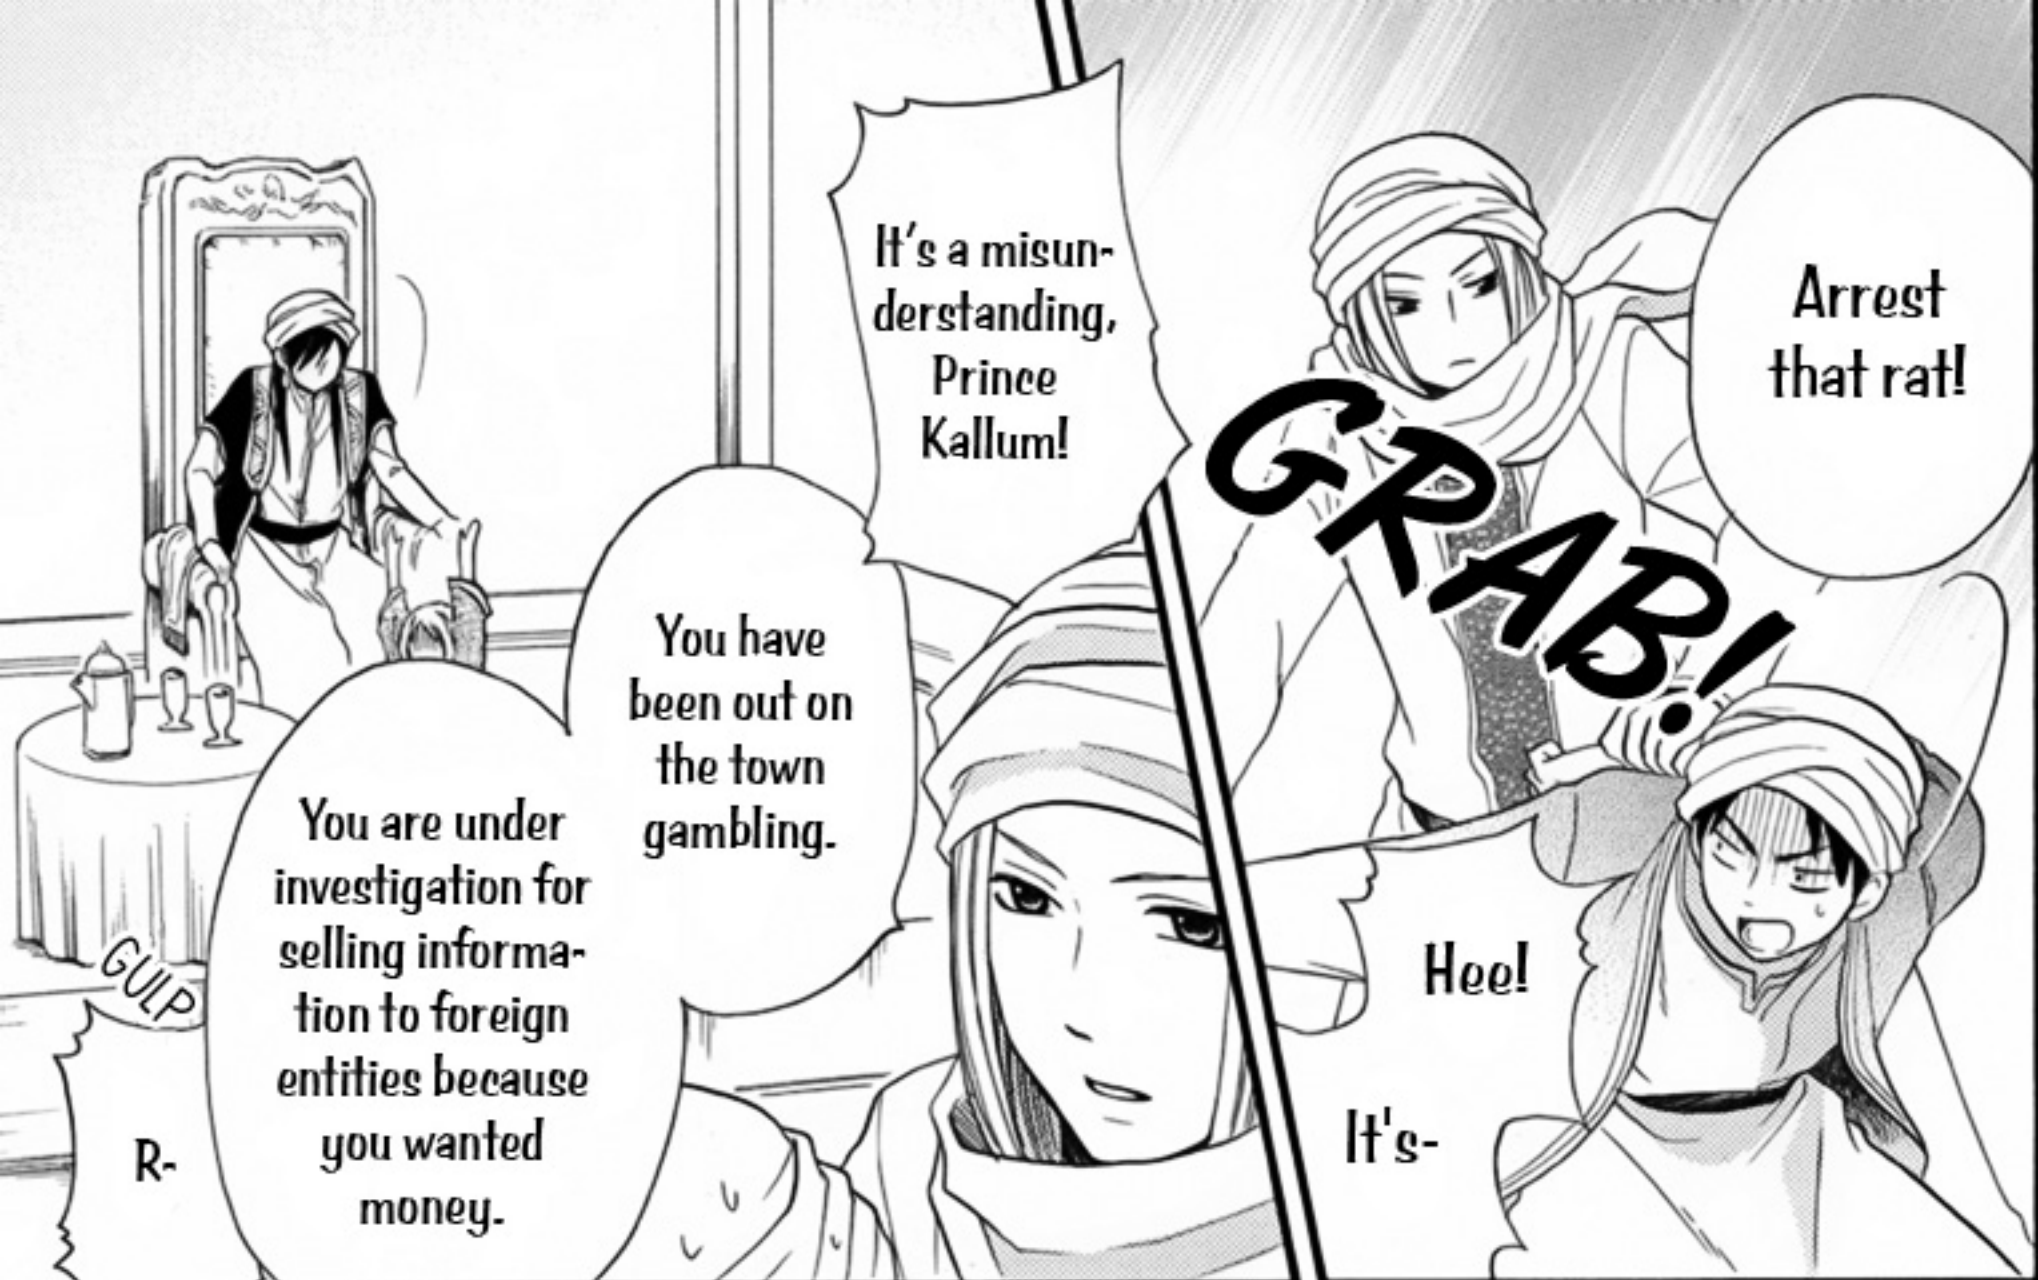

...Hmph

THONK...

Now then,

It's time for your punishment, Mishe.

Wa-

There isn't.  
Pardon my rudeness!

Then that is all for today.

Disperse.

Corpses.

DASH!

This undergarment

is my wife's handmade creation.

...Th-

Heah...

Is there anything else you want to say?

What perfect timing! I've been wanting to brag about it to everyone.

it seems  
that I was  
the person  
behind the  
calamity.

...But  
in the  
end,

I CAN'T  
LIE TO  
HIM  
MORE  
THAN I  
ALREADY  
HAVE.

...Your  
for-  
tune.

It said someone  
was going to  
bring about a  
calamity.

The  
blond-  
haired  
girl.  
↓

Because  
there wasn't  
any time to  
get another  
pair.

Wait!  
Wait!

Why are you  
wearing  
those under-  
wear?!

...I CAN'T  
DO THIS  
ANY-  
MORE.

More  
important-  
ly, answer  
me.  
What  
are you  
scheming?

SPLOR!

SWIP!

I'M SO  
SORRY!!

I MEANT TO  
FLIP UP THE  
TABLECLOTH!

B-AM!

There's no way  
that prediction  
would come  
true for me.

TRUE.

You're a  
fool, aren't  
you?

HUH?

Heh!  
Heh!

In  
short,

You're  
laughing?

This  
happened  
because  
you were  
trying to  
protect me  
without me  
finding out?

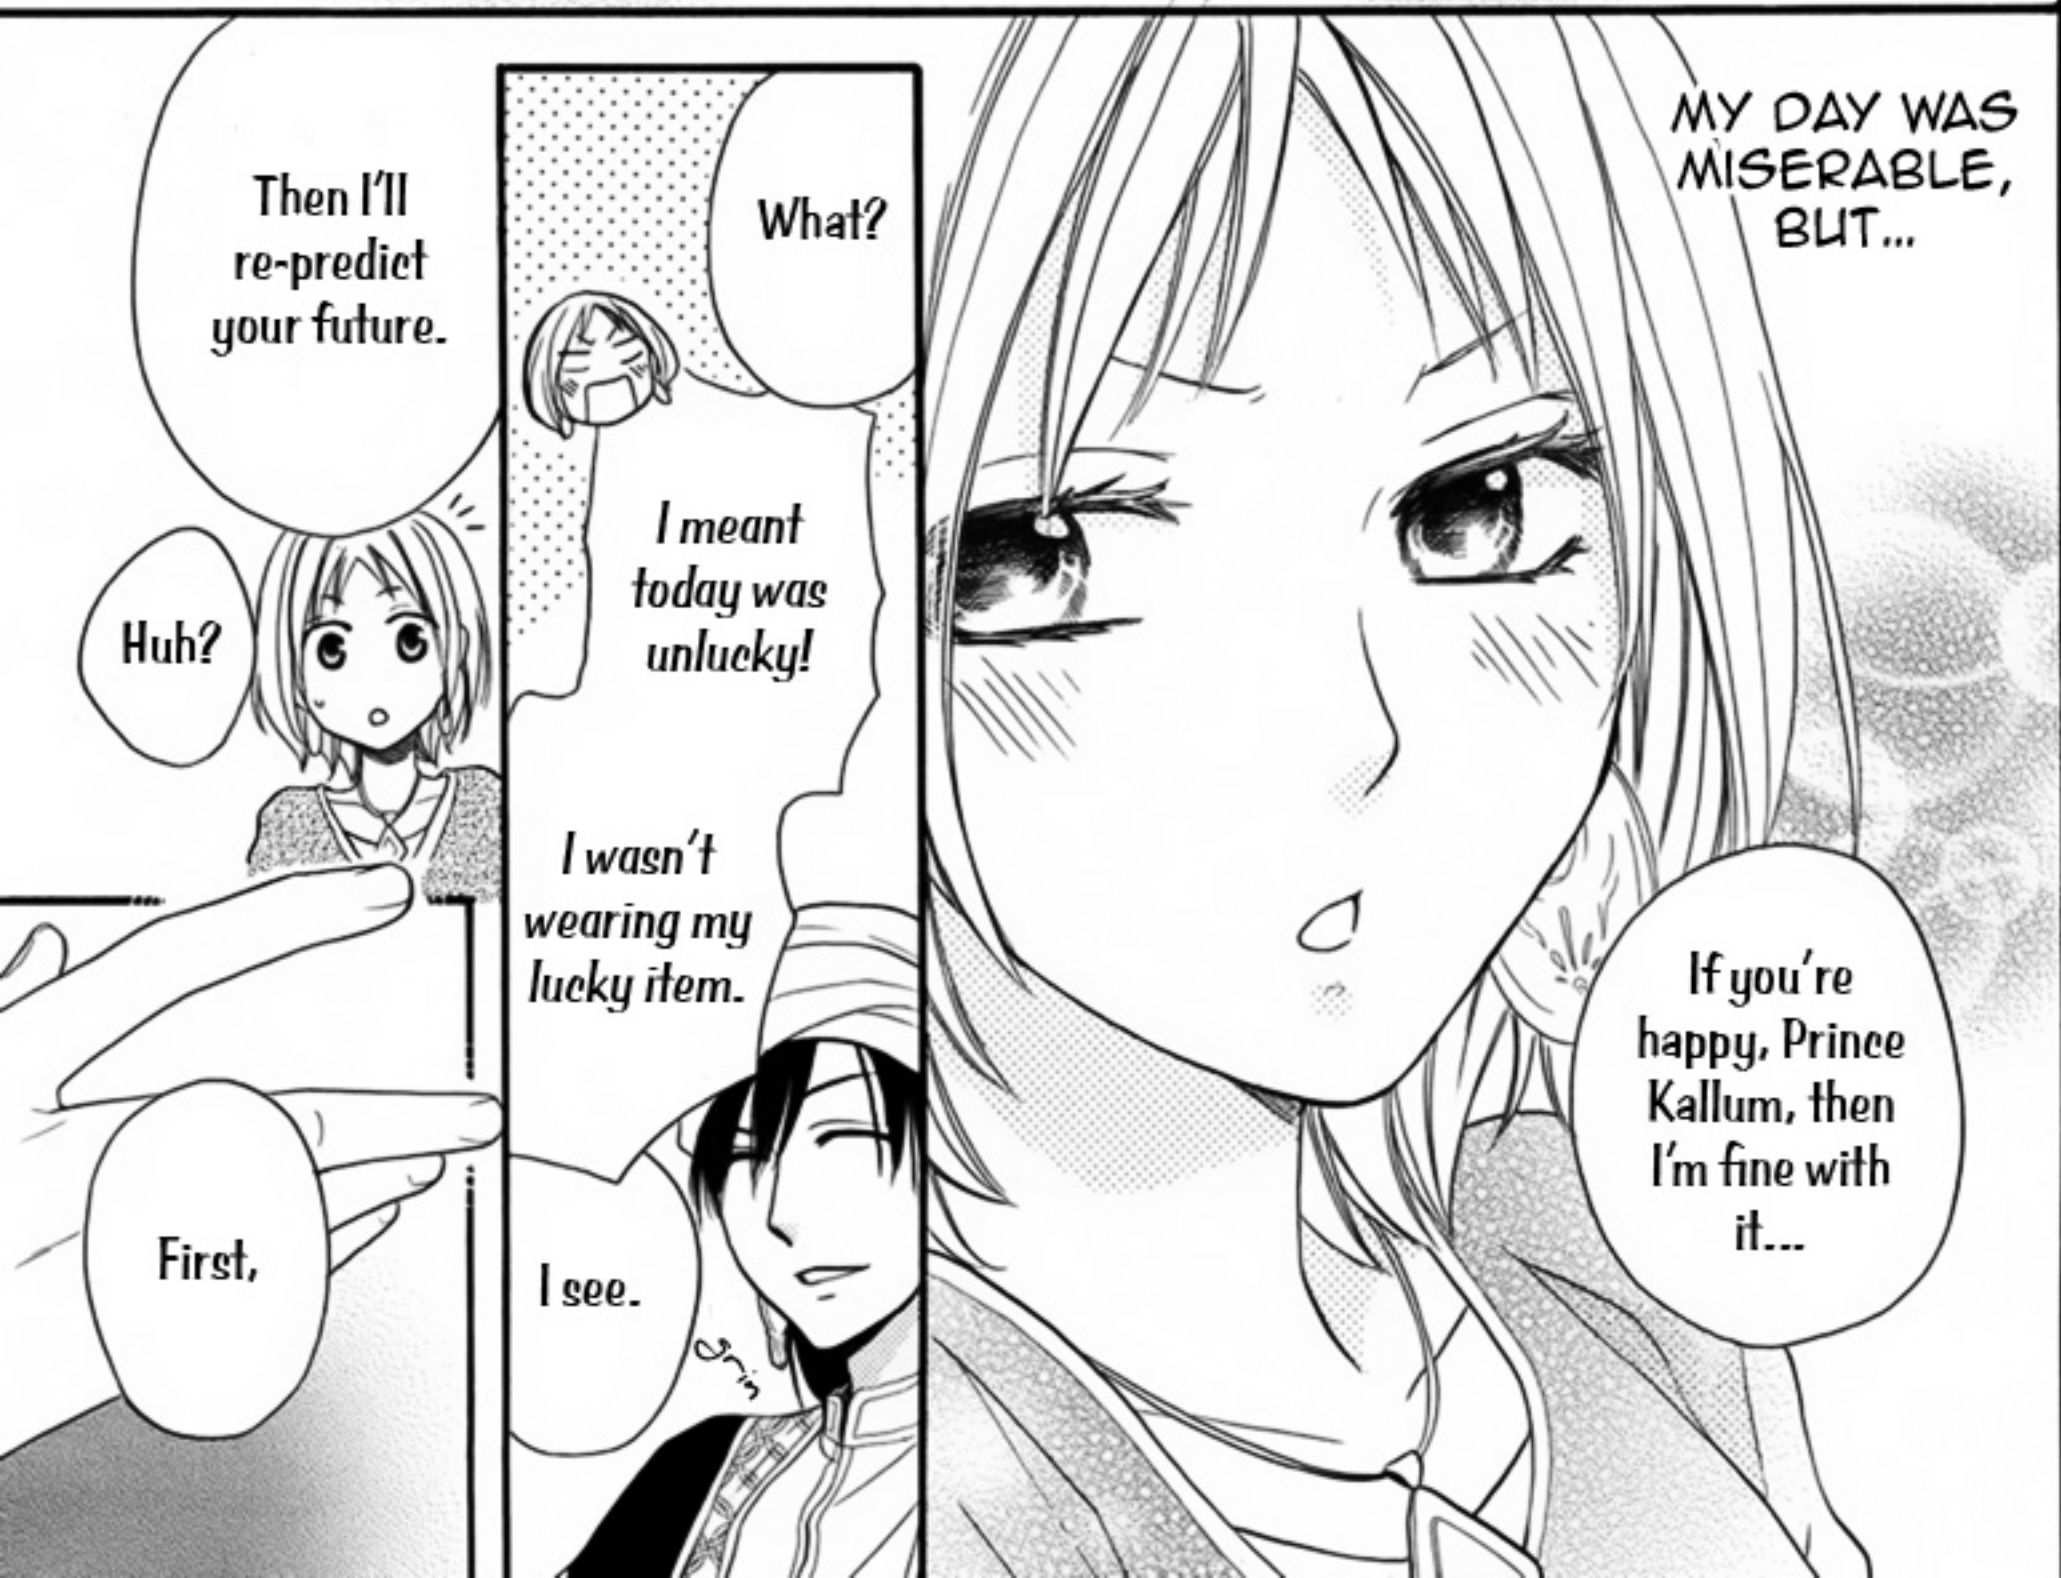

From the start, you were acting that way to protect Atty from blame.

But...

knowing that you were running around for my sake

isn't anything for me to be sad about.

BUT JUST AS ATTY PREDICTED,

MY DAY WAS MISERABLE, BUT...

What?

I meant today was unlucky!

I wasn't wearing my lucky item.

I see.

If you're happy, Prince Kallum, then I'm fine with it...

Then I'll re-predict your future.

Huh?

First,

My  
leg!

And in  
the end,

you'll shut your  
eyes to any hope  
you have for the  
future.

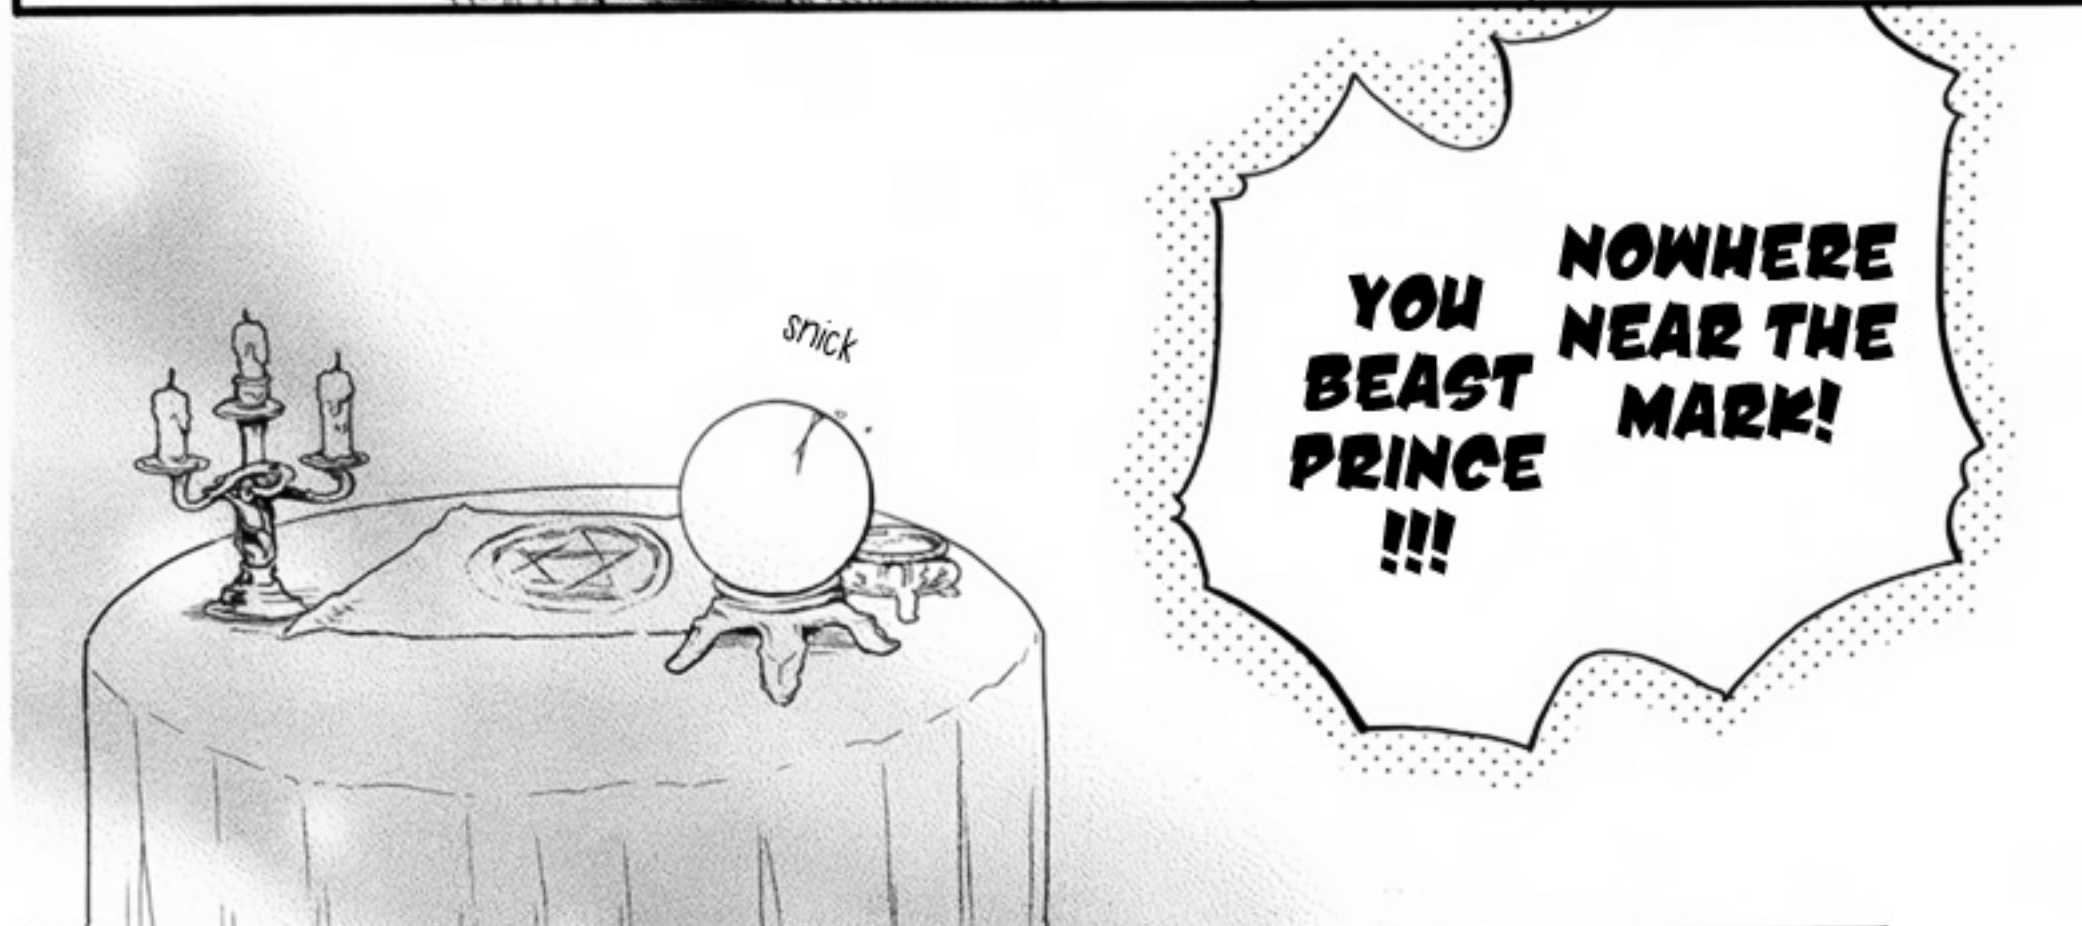

and put  
you to  
shame.
